

**CURRICULUM VITAE ON
RICHARD P. McLAUGHLIN, D.D.S.**

1966	--	Georgetown University, College of Arts and Sciences, Washington, D.C. B.S. Chemistry Degree
1970	--	Georgetown University School of Dentistry - D.D.S. Degree
1970-74	--	Navy Dental Corps
1976	--	University of Southern California, Los Angeles, California Certificate in Orthodontics
1976-present	--	Full time practice in orthodontics, San Diego, California
1987-1988	--	Orthodontic and TMD consultant on a part time basis Scripps Clinic, La Jolla, California
1988-1989	--	Program Chairman, Southern California Component of the Edward H. Angle Society
1988-1998	--	Associate Professor, University of Southern California, Los Angeles, California
1992-1993	--	Secretary, Southern California Component of the Edward H. Angle Society
1993-1994	--	Vice President, Southern California Component of the Edward H. Angle Society
1994-1996	--	President, Southern California Component of the Edward H. Angle Society
1996-present	--	Executive Secretary, Southern California Component of the Edward H. Angle Society
2003-present	--	Component Director, Southern California Component of the Edward H. Angle Society
1998-present	--	Clinical Professor, University of Southern California, Los Angeles, California
2003-present	--	Assistant Professor, Loma Linda University, Loma Linda, California
2005-present	--	Associate Professor, St. Louis University, St. Louis, Missouri

PRESENT MEMBERSHIP

- San Diego County Dental Society
- California Dental Association
- American Dental Association
- Pacific Coast Society of Orthodontists
- Full Member of the Southern California Component of the Edward H. Angle Society
- American Association of Orthodontists
- Diplomate of the American Board of Orthodontist – recertified in 2002

HONORS

- 1994, 1998, 2000 Instructor of the Year Award
University of Southern California, Department of Orthodontics
- 1996 Arthur B. Lewis Lectureship Award
Ohio State University, College of Dentistry
- 2005 Jarabak Award
Indiana University, Department of Orthodontics

PRESENTATIONS

San Diego, California- January 1985

1 day seminar presented to the San Diego County Dental Society on Orthodontic Considerations of TMJ Management

Pasadena, California - September 1986

1 day seminar presented to the Edward H. Angle Society Southern California Component on Orthodontic Considerations of TMJ Management

Vancouver, B.C. - January 1987

1 day seminar presented to the Pacific Coast Society of Orthodontists Northern Component on the Orthodontic Considerations of TMJ Management

San Diego, California - 1987, 1988

Half day seminar presented at the University of California San Diego Medical Center Pain Management Symposium, Coordinator Dr. Terry Tanaka, on Orthodontic Considerations of TMJ Management

Newport Beach, California - September 1987

1 day seminar presented at the Edward H. Angle Society Biennial meeting on Malocclusion and the TMJ--A Historical Perspective

San Diego, California - March 1988

1 day seminar presented to the University of California San Diego Orthodontic Alumni Association on Orthodontic Trouble Shooting with the TMJ Patient

Palm Desert, California - November 1988

1 day seminar presented at the Rocky Mountain Society of Orthodontists Annual Meeting on the Orthodontic Considerations of TMJ Management

Los Angeles, California - January 1989

1 day seminar presented to the University of California Los Angeles Orthodontic Alumni Association on TMJ Update for the Orthodontist

Stockholm, Sweden - 1989, 1990

1 day seminar presented at the Swedish Annual Orthodontic Symposium on Mechanics of the Preadjusted Appliance

2 day seminar presented at the Swedish Annual Orthodontic Symposium on Mechanics of the Preadjusted Appliance

Los Angeles, California – March 1990

Half day seminar presented to the Pacific Coast Society of Orthodontics on TMJ Management in Orthodontics

Pasadena, California - September 1990

1 day seminar presented to the Edward H. Angle Society Southern California Component on The Transition from Standard Edgewise to Preadjusted Appliance Systems

Sao Paulo, Brazil -1990

2 day seminar presented to the National Congress on Mechanics of the Preadjusted Appliance

Washington, D.C. - 1991

2 day seminar presented to the Greater Washington D.C. Orthodontic Study Club on Mechanics of the Preadjusted Appliance

Buenos Aires, Argentina - 1992

2 day seminar presented to the National Congress on Mechanics of the Preadjusted Appliance

Pittsburgh, Pennsylvania - April 1993

1 day seminar presented to the University of Pennsylvania Orthodontic Alumni Association on Mechanics of the Preadjusted Appliance

Amsterdam, Netherlands - September 1993

2 day seminar presented at the Dutch National Orthodontic Society Annual Meeting on Surgical-Orthodontic Symposium with Dr. G. William Arnett

Ashville, North Carolina - October 1993

Lecture presented at the Edward H. Angle Society Biennial Meeting on Extraction/Non-Extraction Dilemma in TMD

Galway, Ireland - September 1994

2 day seminar presented to the Ireland Orthodontic Society on Mechanics of the Preadjusted Appliance

Ann Arbor, Michigan - April 1995

Lecture presented to the Michigan Study Group, Coordinator Dr. James McNamara, on Mechanics of the Preadjusted Appliance

Destin, Florida - June 1995

1 day seminar presented to the Emory University Orthodontic Alumni on Mechanics of the Preadjusted Appliance

Austin, Texas - June 1995

3 day seminar presented to the University of Texas Alumni Association on Mechanics of the Preadjusted Appliance

Rome, Italy - March 1996

2 day seminar presented to SIDO on Orthodontic Consideration of TM Disorders
2 day seminar on Mechanics of the Preadjusted appliance

Milwaukee, Wisconsin - April 1996

2 day seminar presented to the Wisconsin Orthodontic Alumni Association on Orthodontic Considerations of TMJ Disorders

Denver, Colorado - May 1996

Lecture presented at the American Association of Orthodontists meeting on The Transition from Edgewise to Preadjusted Appliances

Jackson Hole, Wyoming - August 1996

1 day seminar presented to the Edward H. Angle Society Southwest Component on Clinical Management of Asymmetries

Philadelphia, Pennsylvania - May 1997

Lecture presented at the American Association of Orthodontists meeting on Clinical Management of Asymmetries

Palm Desert, California - April 1998

Half day seminar presented to the University of Southern California Orthodontic Alumni Association on Management of Class II Early Treatment Cases

Dallas, Texas - May 1998

Lecture presented at the American Association of Orthodontists meeting on An Accurate and Efficient Approach to Bracket Placement

New Orleans, Louisiana - August 1998

1 day seminar presented to the Louisiana Association of Orthodontists on New Concepts in Orthodontic Treatment Mechanics

Santa Fe, New Mexico – February 2000

2 day seminar presented to the Texas Tweed Orthodontic Group on Management of the Dentition

Albuquerque, New Mexico – June 2000

1 day seminar presented to the New Mexico Orthodontic Society on Orthodontic Treatment Mechanics and the Pre-adjusted Appliance

Brisbane, Australia – September 2000

2 day seminar presented to the Queensland Orthodontic Society on Management of the Dentition

Philadelphia, Pennsylvania – November 2000

2 day seminar presented to the Greater Philadelphia Society of Orthodontists on Intra-Arch and Inter-Arch Treatment Mechanics

Phoenix, Arizona – December 2000

1 day seminar presented to the Arizona State Orthodontic Association on Intra-Arch and Inter-Arch Treatment Mechanics

Columbus, Ohio – March 2001

2 day seminar presented to the Ohio State University Orthodontic Alumni Association on Intra-Arch and Inter-Arch Treatment Mechanics

Toronto, Canada – May 2001

1 day seminar presented at the American Association of Orthodontists meeting on The Mechanics of Space Closure

Oslo, Norway – June 2001

2 day seminar presented to the Norway Society of Orthodontists on Management of the Dentition

Granada, Spain – June 2001

2 day seminar presented at the National Spanish meeting on Management of the Dentition

Honolulu, Hawaii – July 2001

1 day seminar presented to the Hawaiian Orthodontic Society on Intra-Arch and Inter-Arch Treatment Mechanics

Vienna, Virginia – October 2001

2 day seminar presented to Georgetown University Orthodontic Alumni on Intra-Arch and Inter-Arch Treatment Mechanics

Brisbane, Australia – September 2002

2 day seminar presented to the Queensland Orthodontic Society on Diagnosis, Treatment Planning and Treatment Mechanics

Calgary, Canada – September 2002

1 day seminar presented to the Canadian Society of Orthodontists on Surgical-Orthodontic Treatment with Dr. G. William Arnett

Denver, Colorado – September 2002

1 day seminar presented at the Colorado Mid-Summer Meeting on Diagnosis, Treatment Planning and Treatment Mechanics

Monterey, California – October 2002

Lecture presented to the Pacific Coast Society of Orthodontists on Diagnosis, Treatment Planning and Treatment Mechanics with Dr. G. William Arnett

Boston, Massachusetts – March 2003

1 day seminar presented to the Massachusetts Orthodontic Association on Diagnosis, Treatment Planning and Treatment Mechanics

Hilton Head, South Carolina – March 2003

2 day seminar presented to the So. Carolina Orthodontic Association on Management of the Dentition

White Sulphur Springs, West Virginia – June 2003

3 day seminar presented to the Virginia Association of Orthodontists on Surgical-Orthodontic Treatment with Dr. G. William Arnett

Santiago, Chile – October 2003

2 day seminar presented at the Chilean Orthodontic Society National Meeting on Surgical-Orthodontic Treatment with Dr. G. William Arnett

Curitiba, Brazil – October 2003

2 day seminar presented at the Brazilian Association of Orthodontics National Meeting on Surgical-Orthodontic Treatment with Dr. G. William Arnett

Palm Springs, California – February 2004

Half day seminar presented at the AAO Advance in Orthodontics & Dentofacial Surgery conference on Facial and Dental Planning for Orthodontists and Oral Surgeons: Planning the Dentition with Dr. G. William Arnett

Salt Lake City, Utah – February 2004

1 day seminar presented to the Utah Association of Orthodontists on Diagnosis, Treatment Planning and Treatment Mechanics

Birmingham, Alabama – March 2004

2 day seminar presented to the University of Alabama Alumni on Diagnosis, Treatment Planning and Treatment Mechanics

Cordoba, Spain – June 2004

2 day seminar presented at the SEDO 50th Anniversary on Diagnosis and Treatment Planning with Drs. John Bennett and Hugo Trevisi

Mexico City, Mexico – July 2004

3 day seminar presented to the Universidad Nacional Autonoma de Mexico on Intra-Arch and Inter-Arch Treatment Mechanics

Bangkok, Thailand – September 2004

3 day seminar presented to the Thai Association of Orthodontists on Orthodontic Treatment Mechanics and the Preadjusted Appliance and Management of the Dentition

Philadelphia, Pennsylvania – October 2004

1 day seminar presented to the University of Pennsylvania Orthodontic Alumni Association on Diagnosis, Treatment Planning and Treatment Mechanics

Quebec, Canada – November 2004

1 day seminar presented to the Quebec Association of Orthodontists on Diagnosis, Treatment Planning and Treatment Mechanics

Indianapolis, Indiana – March 2005

1 day seminar presented to the Indiana State Society of Orthodontists on Diagnosis, Treatment Planning and Treatment Mechanics

Adair, Ireland – April 2005

2 day seminar presented to the Orthodontic Society of Ireland on Facial and Dental Planning for Orthodontist and Oral Surgeons

Colorado Springs, Colorado – June 2005

3 day seminar presented to the Colorado Summer Meeting on Facial and Dental Planning for Orthodontist and Oral Surgeons
